

Colour your Own Arpillera!

Have a look at our online exhibition, check out the arpillera called **POSAR FIL A L'AGULLA / Hands On: An arpillera made out of commitment.** It shows a picture of daily life in Badalona, Barcelona. The people there speak Catalanian.

Fundació Ateneu Sant Roc arpilleristas group in Badalona has stitched the arpillera you have seen and invites you to colour it. For that you need to print the coming pages.

- For the 8 to 10 year old we suggest you colour the full arpillera on page **2**.
- For the 5 to 10 we invite you to colour pages **3 4 5**.

We would welcome you send us a picture of you drawing, one of your coloured page/s or both.
Send to: information@rvacc.co.uk or roberta.conflictextiles@gmail.com

We will then add to our online exhibition.
Enjoy the activity,

Fundació Ateneu Sant Roc arpilleristas group, Catalonia, 30th March 2020
